UNION AVENUE AND DuBOIS STREET, EAST RUTHERFORD, N.J. 07073

 Laboratory Controlled

 Plant Engineered

 Performance Assured

To Whom It May Concern:

Globus Electric was recently contracted to upgrade the lighting throughout our warehouse. The project entailed replacing existing lights with high-efficiency lamps and the lighting levels were significantly improved. The quality and service provided by Globus Electric was excellent throughout the project. We would not hesitate to contract with Globus in the future.
